

## AVATAR MEHER BABA TRUST Master Plan Engagement Opportunity

Readers are aware that efforts are underway to share the Trust's draft master plan with the worldwide Baba family. This master plan is designed to guide the development of the sacred sites at Meherabad, Meherazad, and Meher Nazar in anticipation of significant increases in numbers of pilgrims. While other planning efforts have been undertaken by the Trust, this current master plan goes much further, to the point where a million people at a time could experience darshan at Meher Baba's Samadhi.

The first engagement meetings were held in July, 2019 at the Meher Spiritual Center in Myrtle Beach. Approximately 150 people gathered to hear the presentation about the plan. The participants then formed small groups to discuss the plan and provide feedback and suggestions. All comments were reported back, and then collected, so they could be used in finalizing the plan.

Additional engagement meetings have been scheduled in 2019 in other locations; *please note that an RSVP is required to attend in some locations:*

For those who are unable to attend an engagement meeting, a summary of the draft master plan is available on the Trust website [avatarmeherbabatrust.org](http://avatarmeherbabatrust.org) along with instructions on how to submit feedback on-line by December 31, 2019.

This engagement effort is the first time the Trust has conducted such an extensive initiative of this sort, and Baba lovers are encouraged to take an interest and provide their feedback .

In His Love and Service,

On behalf of AMBPPCT Planning Committee
